

EXTENDED KEYWORD GLOSSARY FOR THE 12 MODALITIES (ENERGY TRAITS) OF THE PLANETS, HOUSES AND SIGNS.

When looking at your Natal chart you will see that you have 12 houses, 12 zodiac signs (polarities) and 12 planets (*Mercury and Venus represent more than 1 polarity*). A modality is simply a mode of energy expression. Each of the 12 modalities is expressed 3 times in your chart:

- As a house (representing a major **area of your life: WHERE**)
- As a sign (representing situations that specifically happen in the area of life the sign occupies: **WHAT**)
- As a planet (representing your **expressive energy or actions** in situations that occur in an area of your life: **HOW**)

So, if we use the 1st modality as an example and take 'Motivation' as one of the keywords we see:

- **The First House** represents the area of your life that deals with self-motivation.
- **Aries, the first sign**, will represent *what* you get motivated about in relation to the house or area of life Aries appears in.
- **Mars, the planet of Aries**, will represent *how* you express your motivational energy in situations that occur in any of the 12 houses where ever Mars is posited.
